

Announcement of Full-Time Faculty Position

Faculty of Transdisciplinary Sciences (Global Brand Strategy),

Kanazawa University

1. Number of Positions:

One Associate Professor (non-tenured), lecturer (non-tenured) or Assistant Professor (non-tenured)

2. Affiliation: Faculty of Transdisciplinary Sciences for Innovation

3. Field of Specialization: Tourism Sciences, International Tourism Management

4. Duties and Responsibility: Education and research in the above-mentioned field of specialization

(1) Class duties:

Undergraduate specialized education (College of Transdisciplinary Sciences for Innovation):
"Global Brand Strategy", etc.

Other courses as required by College of Transdisciplinary Sciences for Innovation.

Notes: You may be required to provide teaching and supervision of research in graduate courses.

Some of the above subjects may need to be taught in English.

(2) Non-class duties:

Student guidance, students' recruitment, admissions, international programs, job guidance, social contribution, etc.

(3) Other necessary duties deemed by the head of the department.

5. Employment Status: Full-time (Nontenured) Term: 5 years, reappointment (permanent position) is possible.

However, in the case of those who have been continuously employed by Kanazawa University, the term of employment will be for the total of no more than 10 years.

Re-appointment Performance Review Criteria

(1) Educational activities: such as lectures, practical training, seminars, research supervision, and student guidance

(2) Research activities: such as presentations of research papers and conferences

(3) Research funding and contributions to the university and society

If a tenured faculty member of Kanazawa University is hired, he / she will be count as "transferred" and no fixed term will be given.

6. Qualifications and Requirements: Applicants must meet all the requirements

- (1) The applicant must have a doctoral degree (including those who are expected to have a doctoral degree by the time of employment) or have educational and research capabilities equivalent to a doctoral degree.
- (2) The applicant must have outstanding research achievements and activities both domestically and internationally in their respective field and be capable of engaging in education and research activities related to the specified field after joining the position. Additionally, they should demonstrate the ability to collaborate with faculty members for transdisciplinary education and research.
- (3) Any nationality is acceptable, but the applicant should be able to give classes and provide student guidance in Japanese (it is desirable that the applicant can give classes and provide student guidance in English as well).
- (4) The applicant must be able to live in Kanazawa or the surrounding area after being appointed.

7. Application deadline: Must arrive no later than Monday, September 30, 2024.

8. Scheduled date of hire: As soon as possible on or after December 1, 2024.

9. Documents for submission:

- (1) Curriculum vitae (photo attached, postal code, current address, contact information, educational background from entering university, degrees, professional experience, academic society and activities, rewards and punishments in society)
